PUXX #1

PUXX #1

D

Material:	100% Polyurethan PUxx ist phthalat- und PVC-frei.
Gewicht:	ca. 510 g/m ²
Rollenbreite:	ca. 145 cm
Rollenlänge:	ca. 25 lfm
Lichtechtheit:	6–7 (1= sehr schlecht, 8= ausgezeichnet)
Brandverhalten:	DIN 4102 B1 (weitere BS Zertifikate auf Anfrage)
Scheuerfestigkeit:	> 90.000 Martindale
Reinigung:	Die Oberfläche von PUxx ist leicht zu reinigen und zu desinfizieren. Es ist widerstandsfähig gegen häufig verwendete Reinigungs- und Desinfektionsmittel (alkoholhaltige Desinfektionsmittel, aktives Chlor, quartäre Ammoniumverbindungen). Kein Fleckenwasser oder Lösungsmittel verwenden.

Handelsübliche Farbabweichungen vorbehalten.

GB

Material:	100% Polyurethane PUxx is fully PVC- and phthalate free.
Weight:	approx. 510 g/m ²
Roll width:	approx. 145 cm
Roll length:	approx. 25 lm
Light fastness:	6–7 (1= very bad, 8= excellent)
Flame retardancy:	DIN 4102 B1 (other FR certificates available on request)
Abrasion resistance:	> 90.000 martindale
Cleaning:	PUxx upholstery is very easily surface cleanable/disinfectable. It is resistant against commonly used cleaning products and disinfectants (alcohol bases disinfectants, active chlorine, quaternary ammonium compounds). Never use stain remover or solvents.

Subject to changes and mutual colour differences.
